2018 Golf Season

Tournament Coordinator / Committee,

Thank you for your interest in Skytop Mountain Golf Club. It would be our pleasure to host your 2018 Golf Tournament / Group at SMGC this season!

Founded in 2007, the now matured and picturesque, 18 hole, Par 72 golf course is set in the mountains just outside of State College. Our pro-shop and outdoor venue perched above the 9th green, providing panoramic views of the golf course and the natural beauty of Pennsylvania, is the perfect venue for your next successful and lucrative event or fundraiser.

Skytop Mountain Golf Club hosts many types of events each season including stroke play, club championships, corporate outings, charity events, family & friends outings, various golf tours, junior events, staff appreciation golf days, team building events, nine & wine and many more.

We make it so easy and simple here at Skytop Mountain, just select a food option and we will do the rest!

Following your review of our Tournament Package, please do not hesitate to contact me regarding a quote, to book a date(s) or to discuss a golf outing in the future.

I look forward at the chance to work with you this season and / or in the future, we guarantee your event will be a great success.
